Shariah-Compliant Zakat Management System

Bali Memorial Trust

This is to certify that the Zakat Management System developed and implemented by Bali Memorial Trust has been thoroughly reviewed and evaluated for its compliance with Shariah principles and regulations.

Based on our comprehensive assessment, we confirm that the system adheres to the principles of Shariah, ensuring the proper collection, management, and distribution of Zakat in accordance with Islamic teachings.

Key Points of Compliance:

1. Zakat Collection: The methods for collecting Zakat are Shariah-compliant, ensuring transparency and integrity.
2. Zakat Distribution: The system ensures that Zakat is distributed to eligible recipients as prescribed by Shariah law.
3. Monitoring and Reporting: Regular audits and reports are conducted to maintain adherence to Shariah principles.

This certification serves as a witness to BMT's commitment to upholding the highest standards of Shariah compliance in its Zakat management practices.

May Allah (SWT) bestow upon the management of BMT the highest reward for their dedicated efforts. May He continue to bless their mission with increased sincerity and abundant success.

والله اعلم بالصواب، وصلى الله على نبينا محمد وعلى اله وصحبه وبارك وسلم

Note: This certificate is valid till June 30, 2027.
